2026 FALL INVITATIONAL

PRESENTED BY SOUTHERN ARIZONA GOLF ASSOCIATION

2 Person Combined Quota Format

Adding a Team aspect to our regular Quota Events. Each player will play his/her round and the final Quota scores for each team member will be added together for a total Quota Score. Example: Player A finishes with a Quota score of -1 and Player B finishes with a Quota score of +2, the Team Total is +1.

How Quota works.

Your score on each hole earns you points in a quota tournament. Double Eagle = 8, Eagle = 5, Birdie = 3, Par = 2, Bogey = 1, Double Bogey = 0, Triple Bogey or worse = -1.

Both players begin with a certain number of points based on course handicap. Start by determining your course handicap from the tee area you select. Example: Your course handicap from the selected tee is 12; then 12 is your *individual* starting number of points. Each player score is individually kept; for this event, the points are then combined at the end of the round for the team score. Remember, we're talking about gross scores, not net scores. Your handicap is factored into the starting point.

After the completion of your round, all points earned during the round will be added to your starting team number.

Please contact a SAGA board member if you have any questions.
